

VBN High Synthetic DDGS 54/40

VBN Product Code:647010

Vitamin & Mineral Supplement for Grower/Finisher Pigs

Form: premix

Package: bulk

Purpose: To be mixed with corn, soybean meal and DDGS to make complete ration

VBN Swine 44/35 Phytase LY (DDGS) is a premix formulated with lysine and threonine to be mixed with corn, soybean meal and DDGS

Features & Benefits:

- Contains Phytase which increases the digestibility of phosphorus in diets
- Provides supplemental Lysine to complement DDGS rations
- Economically viable with the use of DDGS as a partial replacement of soybean meal, corn and phosphate
- Fortified with optimum levels of vitamins, trace minerals, and other nutritional supplements to optimize growth.
- Contains a balance of essential fatty acids, prebiotics, and probiotics to promote healthy gut development
